→ 01 JULY - CANADA DAY

Celebrating Canada Day, we take the opportunity to look further at this key market from Dublin Airport. With strong transatlantic connections and growing passenger demand, Canada remains a key market for Dublin Airport.

→ MARKET PERFORMANCE

-  This is a record year for the Canadian market with an increase of **6% YoY** and **18%** above 2019 levels.
-  There will be nearly **700k** seats in the Dublin to Canada market in 2025 (**694k** to be exact).
-  Since 2014, when our third carrier Westjet entered the market, we have seen growth of **480%**.
-  We had **588k** passengers in 2024 with **615k** forecasted for 2025.

AIR CANADA

Aer Lingus 

→ CAPACITY FROM DUBLIN

-  Dublin has the **8th** most capacity to Canada from European airports.
-  Dublin Airport has **four** airlines with **nine** routes to **six** destinations in Canada
Calgary | Halifax | Montreal
St. John's | Toronto | Vancouver
-  We have up to **eight** departures per day from Dublin to Canada in peak Summer.
-  Almost 30% of all Canadian visitors visit Northern Ireland, making Canada the third-largest source market for Northern Ireland.
